

When You're Bored at Home

When you're bored at home and have nothing to do
Why don't you have some home school and make it fun too

I draw I write and read every day
I know it is fun and I want to stay

My mom is a good teacher and my dad is too
He is a preacher and he speaks what's true

My mom reads me books
She does it all day
And sometimes she sends me out to play
